## Primacy 2: A Whole Suite of New Features & Options

All the features of Primacy 2

- Rewrite**  
 Print, erase, and reprint your rewritable cards.
- 200-card feeder**  
 Increase efficiency and autonomy with an even larger feeder.
- Kineclipse®**  
 Automatically mask sensitive data left on the ribbon after printing.
- Double overlay**  
 Double the card protection for greater durability.
- User help via QR code**  
 Scan the QR code that appears on the screen to easily get the help you need.
- System software and drivers**  
 Enjoy an optimized user experience on Windows, Mac & Linux.
- Scan**  
 Perform security and control checks of printed cards and more via free SDK.
- Color profile**  
 Get a print result as close as possible to actual colors.
- Digital erasing**  
 Delete sensitive data sent to the printer from memory.
- UV effect**  
 Apply a UV effect to your cards for increased security.
- Mechanical locking by key**  
 Prevent the printer from being opened with access to consumables.
- Compatible devices**  
 Print directly from your smartphone or tablet.
