## STOCK COLOR OPTIONS:

- **VERSATILE** - This three-in-one accessory can be utilized in different ways. Use it as the full lanyard/reel combination or detach the reel and use the lanyard and badge reel independently.
- **CUSTOMIZABLE** - Both the lanyard and the badge reel can be customized for enhanced branding. Add a logo or text to a silkscreen, dye-sub, or woven lanyard, and add graphics to the reel with either a dome or flat label.
- **CONVENIENT** - The lanyard and reel each feature the same snap clip, which was designed to make card carrying easy. It securely holds slotted ID cards, vinyl badge holders, and rigid badge holders.

\*\* SPECIAL WARNING FOR BREAKAWAY LANYARDS—Breakaway performance will vary and lanyards will not break away under all conditions. The male/female part pull force specification for round breakaways is 3-11 lb. under tested conditions per M-3-QA-0167. The male/female part pull force specification for flat standard breakaways is 4-10 lb. under test conditions per M-3-QA-0167. A full description of the M-3-QA-0167 test procedure can be provided upon request. Not recommended for use around moving objects or playgrounds.
